

CURRICULUM VITAE
OF
EDWARD J. MILLS, D.D.S.

CURRICULUM VITAE
EDWARD J. MILLS, D.D.S.

Office Address: 5685 Lake Placid Drive
Atlanta, Georgia 30342
Office Telephone: (404) 252-2125

PERSONAL DATA

Home Address: 2400 Bohler Road, N.W.
Atlanta, Georgia 30327
Home Telephone: (404) 352-3623

Date of Birth: July 20, 1955
Place of Birth: Panama City
Republic of Panama

Citizenship: U.S.A.
Sex: Male
Race (*for EEO Purposes*): Caucasian

Marital Status: Married
Spouse's Name: Michelle Ann Mills

Children: Olivia Grace
Austin Joseph
Linden Rachel

EDUCATION

Oxford College of Emory University,
Oxford, Georgia Associate in Arts Degree 1973-1974

Emory University,
Atlanta, Georgia Bachelor of Science Degree 1974-1976

Emory University School
of Dentistry,
Atlanta, Georgia Doctor of Dental Surgery 1976-1980

PROFESSIONAL CREDENTIALS

| | |
|-----------|--|
| Diplomate | American Board of Oral Implantology |
| Diplomate | International College of Oral Implantology |
| Fellow | American Academy of Implant Dentistry |
| Fellow | International College of Oral Implantology |

PRIVATE PRACTICE

Director, Atlanta Center for Restorative Dentistry

PROFESSIONAL

ACADEMIC APPOINTMENTS

Instructor of Oral Medicine, Emory University School of Dentistry 1985-1989
Instructor - Postgraduate Continuing Education Faculty
 Maxi Implant Course, Medical College of Georgia 1985-2013
Instructor – Post Graduate Continuing Education Faculty
Instructor - Postgraduate Continuing Education Faculty Dental Implant Program
 Howard University
Instructor and Director of Advanced Dental Implant Studies 2008-2017
Co-Director - Implant Residency Program, Emory/Adventist Hospital
Co-Director - 300 Hour Maxi Course, AAID/Medical College of Georgia
Director – Atlanta Institute for Advanced Education 2008-2017
Instructor, Zimmer Institute
Co-Director and Faculty of Dental XP-Online Dental Implant Externship(280 hrs)-Stony Brook
Dental School, NYU Dental School 2012, 13, 14, 15, 16, 17

BETA SITE CLINICAL EVALUATIONS

Kodak 9500 Conebeam

Zimmer Patient Specific Implant Abutments

Phosphorous Plate Imaging

Carestream 9300 Conebeam

RESEARCH ACTIVITIES

Worked with Dr. Ernest Hunt on the immunological nature of the alveolar connective tissue found in the cheek pouch of the Hamster and its use in tissue graft receptivity - 1975.

Worked with Dr. Mariano LaVia on the effect of FC receptors On B-lymphocyte activation - 1975-76.

Clinical studies on HTR as used for ridge augmentation in periodontal therapy - 1981-83.

Clinical studies on submerged ceramic implants - 1990-91.

Clinical studies on the Zest Implant System - 1990-91.

EDUCATIONAL GRANTS AND CORPORATE CONSULTING

- | | |
|--|------------------------------|
| 1. Zimmer Educational Grants | 2006, 2007, 2008 |
| 2. Consulting Contract for Three-Dimensional Imaging Technologies | 2007, 2008 |
| 3. Consulting Contract for Cone Beam Technology with Kodak | 2007, 2008, 2009, 2010, 2011 |
| 4. Consulting Grant with DentalEZ | 2006 |
| 5. Implant Direct Educational Grant | 2009, 2010 |
| 6. Consulting Contract for Digital Technology with Carestream | 2010,2011 |

PRESENTATIONS AT NATIONAL, REGIONAL AND STATE MEETINGS

1. “Bioceram Implant,” Kyocera Institution, 10/19/85
2. “Endosseous Implant,” Presentation & Hands-on Lab Section, Medical College of Georgia, 09/20/87
3. “Ceramic Implants,” Medical College of Georgia and the American Academy of Implant Dentistry, 09/20/87
4. “Endosseous Implants,” Presentation & Lab, Medical College of Georgia and the American Academy of Implant Dentistry, 09/21/87
5. “Implant Prosthodontics,” Medical College of Georgia and the American Academy of Implant Dentistry, 12/12/87
6. “Implant Prosthodontics,” Video Study Club, 09/10/89
7. “Implant Prosthodontics: A Variable in the Functional Dynamics of the Stomatognathic System,” the American Academy of Implant Dentistry National Meeting, 10/04/89
8. “Sapphire Implants,” Medical College of Georgia and the American Academy of Implant Dentistry, 11/18/89
9. “Mucosal Inserts,” Medical College of Georgia, 11/19/89
10. “Endosseous Implant Lab Presentation for AAID Maxi Course,” Medical College of Georgia and the American Academy of Implant Dentistry, 11/19/89
11. “Advanced Implant Prosthodontics,” Medical College of Georgia and the Academy of Implant Dentistry, 12/17/89
12. “Mucosal Inserts,” Medical College of Georgia and the American Academy of Implant Dentistry, 06/30/90
13. “Bioceram Implants,” Medical College of Georgia and the Academy of Implant Dentistry, 06/30/90
14. “Endosseous Implant Lab Presentation & Hands-On Lab Section for the MID Maxi Course,” Medical College of Georgia and the American Academy of Implant Dentistry, 07/15/90
15. “Advanced Implant Prosthetics,” Medical College of Georgia and the American Academy of Implant Dentistry, 08/10/90

16. "Dynamics of Stability," Second International, 06/29/91
17. "Utilization of Partially or Totally Supported Prosthesis in the Stabilization of the Stomatognathic System," Symposium on the Oral Implants -Japanese Clinical Implant Association, 07/01/91
18. "Mucosal Insert," Medical College of Georgia and the American Academy of Implant Dentistry, 09/20/91
19. Panel Discussion on: "Available Bone/Bio-Mechanics & Design Criteria," American Academy of Implant Dentistry 40th Annual Meeting, 10/31/91
20. "Utilization of Partially or Totally Implant Supported Prosthesis in Stabilization of the Stomatognathic System," American Academy of Implant Dentistry Annual Meeting, 10/14/91
21. "Aesthetic Consideration in Implant Prosthodontics," American Academy of Implant Dentistry Annual Meeting, 10/14/91
22. "Advanced Implant Prosthodontics," Medical College of Georgia and the American Academy of Implant Dentistry, 10/19/91
23. Hands-on Lab on "Surgical Insertion of Endosseous Implants," Medical College of Georgia and the American Academy of Implant Dentistry, 10/20/91
24. Limited attendance lecture on "Advanced Implant Reconstruction," Kobe, Japan 05/23/92
25. "Subantral Augmentation & Advanced Implant Surgical Reconstruction of the Maxilla," Symposium sponsored by the New Nippon Clinical Dental Implant Association, 05/24/92
26. "Advanced Implant Reconstruction Involving Orthognathic Surgical Manipulation," Department of Maxillofacial Surgery, Kyoto University, Kyoto, Japan, 05/25/92
27. "Prosthetic Reconstruction of IMZ Implant System," Southern District Meeting of the American Academy of Implant Dentistry, 07/18/92
28. Hands-on Clinic on "IMZ Implant System," Southern District Meeting of the American Academy of Implant Dentistry, 07/18/92
29. "Advanced Implant Prosthetics," Medical College of Georgia and the American Academy of Implant Dentistry, 10/10/92
30. "Craniofacial Radiology and MR Imaging," the Atlanta Center for Restorative Dentistry, 07/31/93

31. "Evaluation, Diagnosis and Treatment Planning of Complete Restorative Cases," Annual Southern District Meeting of the American Academy of Implant Dentistry, 06/14/94
32. "Diagnosis & Treatment of Complex Restorative Cases," Medical College of Georgia and the American Academy of Implant Dentistry, 06/23/95
33. "Advanced Implant Prosthetics," Medical College of Georgia and the American Academy of Implant Dentistry, 09/17/95
34. "Advanced Diagnosis and Treatment Planning," Medical College of Georgia and the American Academy of Implant Dentistry, 11/18/95
35. "Live Surgical Laboratory on Dental Implants," Medical College of Georgia and the American Academy of Implant Dentistry, 11/19/95
36. "Radiology and Imaging," Medical College of Georgia, 06/22/96
37. "Introduction to Diagnosis and Treatment Planning," Medical College of Georgia and the American Academy of Implant Dentistry, 06/22/96
38. "Advance Implant Prosthetics," Medical College of Georgia and the American Academy of Implant Dentistry, 09/21/96
39. "Dental Implant Surgical Demonstration Laboratory," Medical College of Georgia and the American Academy of Implant Dentistry, 11/16-17/96
40. "Operating Room Protocol Lecture and Live Surgical Demonstration," Medical College of Georgia, the American Academy of Implant Dentistry, and the Atlanta Center for Restorative Dentistry, 12/12-15/96
41. "Radiology, Imaging, Diagnosis and Treatment Planning," Medical College of Georgia and the American Academy of Implant Dentistry, 06/21/97
42. "Live Surgical Demonstration illustrating First Stage Surgery for Subperiosteal Implant," Medical College of Georgia and Emory /Adventist Hospital, 09/12/98
43. "Co Diagnosis and Treatment Planning," American Academy of Implant Dentistry National Meeting, 09/26/97
44. "Clinical Case Presentation, Root Form Implants," American Academy of Implant Dentistry National Meeting, 09/27/97
45. "Dental Implant Prosthetics," Medical College of Georgia and the American Academy of Implant Dentistry, 09/28/97

46. "Diagnosis and Treatment Planning II with Participant Case Presentation," Medical College of Georgia, 10/19/97
47. "Review of Dental Implants, Prosthetic, Surgery and Basic Science," Medical College of Georgia, 11/14/97
48. "Surgical Laboratory," Medical College of Georgia and the American Academy of Implant Dentistry, 11/16/97
49. "Operating Room Protocol and Live Surgical Demonstration," Medical College of Georgia and the American Academy of Implant Dentistry, 10/5-7/97
50. "Advanced Dental Implant Surgery and Prosthetics," University of Lille Medical School, Lille, France, 03/20/98
51. "Radiology and Imaging," Medical College of Georgia and the American Academy of Implant Dentistry, 06/13/98
52. "Diagnosis and Treatment Planning I," Medical College of Georgia and the American Academy of Implant Dentistry, 06/13/98
53. "Clinical Protocol," Medical College of Georgia and the American Academy of Implant Dentistry, 06/14/98
54. "Surgical Demonstration, Soft Tissue Grafts, Bone Grafts and Bone Manipulation," Medical College of Georgia and the American Academy of Implant Dentistry, 09/18/98
55. "Advanced Implant Prosthetics," Medical College of Georgia and the American Academy of Implant Dentistry, 09/19/98
56. "Advanced Implant Prosthetics," Howard University, 10/16/98
57. "Diagnosis and Treatment Planning II," Medical College of Georgia and the American Academy of Implant Dentistry, 10/18/98
58. "Restoration of Severely Atrophied Maxilla and Mandible Illustrating Bone Grafting, Endosseous Implants and Subperiosteal Implants," American Academy of Implant Dentistry National Meeting, 11/05/98
59. "Review of Basic Science, Surgery and Prosthetics Associated with Dental Implants," Medical College of Georgia and the American Academy of Implant Dentistry, 11/13/98

60. "Advanced Surgical Demonstration Illustrating Pre-Implant Surgery, Bone Grafting Procedures and Endosseous Implants," Medical College of Georgia and the American Academy of Implant Dentistry, 11/14-15/98
61. "Operating Room Protocol and Restorative Dentistry," Medical College of Georgia and the American Academy of Implant Dentistry (AAID), 11/14-15/98
62. "Advance Surgical Demonstrations," Medical College of Georgia and the American Academy of Implant Dentistry, 12/4-6/98
63. "Radiology and Imaging," Medical College of Georgia and the American Academy of Implant Dentistry, 06/10/98
64. "Diagnosis and Treatment Planning," Medical College of Georgia and the American Academy of Implant Dentistry, 06/10/98
65. "Implant Prosthodontics," Howard University, 06/12/99
66. "Evaluating the Quantity and Quality of Available Bone," Medical College of Georgia and the American Academy of Implant Dentistry, 06/13/99
67. "Introduction to Bone Manipulation, Bone Grafting and Sinus Lift Procedure," Medical College of Georgia and the American Academy of Implant Dentistry, 06/13/99
68. "Implant Dentistry in the New Millennium," American Academy of Implant Dentistry Southern District Annual Meeting, 07/29-30/99
69. "Advanced Implant Prosthodontics," Medical College of Georgia and the American Academy of Implant Dentistry, 09/17/99
70. "Diagnosis and Treatment Planning," and "Communication Models," American Academy of Implant Dentistry Annual Meeting, 09/23/99
71. "Diagnosis and Treatment Planning," Medical College of Georgia and the American Academy of Implant Dentistry, 10/24/99
72. Live Surgical and Prosthetic Demonstrations, Medical College of Georgia and the American Academy of Implant Dentistry, 11/6-7/99
73. Live Surgical Demonstration, Medical College of Georgia and the American Academy of Implant Dentistry, 12/10-12/99
74. "Interactive Computed Tomography Workshop," Columbia Scientific Sponsor, 01/15/00
75. "Introduction to Radiographic Imaging," Innova Training, 01/24/00

76. "Advanced Implant Prosthodontics," Brookdale University, Hospital and Medical Center, 03/17/00
77. "Diagnosis & Treatment Planing," Medical College of Georgia and the American Academy of Implant Dentistry, 06/08/00

522. Surgical Demonstration Illustrating Placement of Four Endosseous Implants in the Posterior Mandible with Bio Activators, Atlanta Institute for Advanced Education, 05/16/2015
523. Introduction to Guided Bone Regeneration, Atlanta Institute for Advanced Education, 05/17/2015
524. Diagnostics and Treatment Planning of Complex Restorative Dental Implant Patients, Atlanta Institute for Advanced Education, 6/11/2015
525. Three-Dimensional Evaluation of Bone and Osseous Manipulation, Atlanta Institute for Advanced Education, 6/12/2015
526. Site Development and Implant Protocol based on the Nature of Tooth Loss, Atlanta Institute for Advanced Education, 6/13/2015
527. Three-Dimensional Analysis of the Head and Neck Utilizing Cone Beam Computer Analysis: Cone Beam Workshop, Atlanta Institute for Advanced Education, 6/14/2015
528. Reconstruction Involving Mandibular Agenesis and Macroglossia of Failing and Ailing Implants and Prosthesis, Atlanta Institute for Advanced Education, 06/25/2015
529. Surgical and prosthetic Reconstruction of Mandibular Arch Utilizing Endosseous Implants and Full Zirconium Prosthesis, Atlanta Institute for Advanced Education, 06/26/2015

530. Evaluation of the Esthetically Compromised Implant in the Maxillary Anterior: Avoiding and managing the Complication, Atlanta Institute for Advanced Education, 06/27/2015
531. Surgical and Prosthetic Principals; Planning of Complex Restorative Implant Prosthetics, Atlanta Institute for Advanced Education, 7/09/2015
532. Surgical and Prosthetic Implant Reconstruction of the Totally Edentulous Patient, Atlanta Institute for Advanced Education, 7/09/2015
533. Clinical Prosthetic Treatment: Planning for Cadcam Implant Supported Options and Problem Solving, Atlanta Institute for Advanced Education, 7/10/2015
534. Diagnosis of Functional Human Occlusal Stability, Atlanta Institute for Advanced Education, 7/11/2015
535. Surgical and Prosthetic Workshop, Atlanta Institute for Advanced Education, 7/11/2015
536. Scientific Review: Pharmacology Physiology, Esthetic and Anatomy, Atlanta Institute for Advanced Education, 7/12/2015
537. Interdisciplinary Reconstruction of Craniofacial Trauma, Atlanta Institute for Advanced Education, 08/29/2015
538. Dental Lab Techniques for Advanced Restorative Solutions, Atlanta Institute for Advanced Education, 9/17/2015
539. Addressing Challenges in the Esthetic Zone-Live Surgery Mandibular Reconstruction with five Implants in the Anterior Symphysis, Atlanta Institute for Advanced Education, 06/27/2015
540. Overview of Plastic Surgery and Facial Enhancement, Atlanta Institute for Advanced Education, 9/19/2015
541. Surgical Principals, Bone Manipulation and Grafting Procedures, Atlanta Institute for Advanced Education, 10/15/2015
542. Major Alveolar Bone Enhancement of the Maxilla and Mandible in Vertical and Horizontal Dimensions, Atlanta Institute for Advanced Education, 10/16/2015
543. Addressing Subperiosteal Implants and Clinical Complications, Atlanta Institute for Advanced Education, 10/17/2015
544. Anticipating and reviewing Surgical and Prosthetic Complications Associated with Dental Implantology, Atlanta Institute for Advanced Education, 11/12/2015

545. Clinical Overview of Dental Implant Restorative Dentistry, Atlanta Institute for Advanced Education, 11/13/2015
546. Literature Review in Ideology of Implant Failure, Atlanta Institute for Advanced Education, 12/10/2015
547. Periimplantitis and Issues Associated with Ailing and Failing Implants, Atlanta Institute for Advanced Education, 12/11/2015
548. Addressing treatment of Periimplantitis, Atlanta Institute for Advanced Education, 12/12/2015
549. Surgical Protocol for Implant Placement of Mandibular Implants in the Symphysis, Atlanta Institute for Advanced Education, 02/25/2016
550. Protocol for Fabrication of Implants Supported Restorations for the Edentulous Patient, Atlanta Institute for Advanced Education, 02/26/2016
551. Surgery and Impression Techniques for the Full Arch Implant Supported Prosthesis, Atlanta Institute for Advanced Education, 02/26/2016
552. Professional Goal Setting and Strategic Planning for Dental Professionals, Atlanta Institute for Advanced Education, 02/27/2016
553. Effective Communication Utilizing Digital Processes as well as, Effective Clinical Case Evaluation and Presentation, Atlanta Institute for Advanced Education, 02/27/2016
554. Evaluation and Treatment Planning for the Terminal Single Tooth in the Partially Edentulous patient, Atlanta Institute for Advanced Education, 05/19/2016
555. Reconstruction of the Edentulous Posterior Maxilla with Pneumatized Sinus, Atlanta Institute for Advanced Education, 05/20/2016
556. Restoration of the Edentulous Posterior Segment in the Partially Edentulous Patients with Pneumatized Sinus, Atlanta Institute for Advanced Education, 05/20/2016
557. Expedited Full Arch Rejuvenation of Failing Full Arch Prosthesis, Atlanta Institute for Advanced Education, 08/5/2016
558. Regeneration and Reconstruction Involving Compromised Mandibular Implants and History of Myo-Facial Pain Dysfunction, Atlanta Institute for Advanced Education, 12/1/2016

559. Complex Diagnosis and Treatment Planning with Fractured Teeth in the Esthetic Zone with Previously Congenially Missing Teeth, Atlanta Institute for Advanced Education, 12/1/2016
560. Differential Diagnosis and Treatment Planning Involving Site Development Associate with Agenesis, Atlanta Institute for Advanced Education, 12/1/2016
561. Differential Diagnosis and Treatment Planning Associated with Ankylosed Impacted Teeth in a Potential Implant Site, Atlanta Institute for Advanced Education, 12/1/2016
562. Problem Based Learning Case-Sharon-Compromised Mandibular Implant with a History of Idiopathic Pain, Atlanta Institute for Advanced Education, 12/2/2016
563. Problem Based Learning Case-Kim-Loss of Anterior Tooth in a Patient with Previously Congenially Missing Tooth, Atlanta Institute for Advanced Education, 12/2/2016
564. Problem Based Learning Case-Stanley-Impacted Tooth Requiring Surgical Orthodontic Treatment and Subsequent Alveolar Defect, Atlanta Institute for Advanced Education, 12/2/2016
565. Regeneration in Sites with Previously Compromised Implants, Atlanta Institute for Advanced Education, 12/2/2016
566. Reconstruction/Restoration of Implants in the Esthetic Zone, Atlanta Institute for Advanced Education, 12/2/2016
567. Full Arch Regeneration Protocols Utilizing Flat One Abutments, Atlanta Institute for Advanced Education, 12/3/2016
568. Hands-On with Intra-Lock Gold/Blue Implants and Surgical Kit, Atlanta Institute for Advanced Education, 12/3/2016
569. Hands-On with Intra-Lock Gold/Blue Prosthetic Components, Atlanta Institute for Advanced Education, 12/3/2016
570. Advanced Implant Surgical and Prosthetic Protocols, Atlanta Institute for Advanced Education, 2/16/2017

571. Advanced Surgical and Prosthetic Protocols, Atlanta Institute for Advanced Education, 2/17/2017
572. Advanced Regeneration Techniques for the Atrophied Maxilla, Atlanta Institute for Advanced Education, 2/17/2017
573. Addressing Site Development for Implant Placement in the Aesthetic Zone, Atlanta Institute for Advanced Education, 2/18/2017
574. Addressing Complex Organizational and Communication Challenges Involving Large Group Dynamics so as to Obtain Synergistic Results, Atlanta Institute for Advanced Education, 5/11/2017
575. Problem Based Learning Format/ Addressing Mispositioned Implants in the Esthetic Zone, Atlanta Institute for Advanced Education, 5/11/2017
576. Problem Based Learning Format /Diagnosis Treatment Planning Complex Restorative Cases Involving Imbalances in the Neutral Zone, Atlanta Institute for Advanced Education, 5/11/2017
577. Problem Based Learning Format/ Diagnosis of Complex Cases Involving a History of TMJ Arthropathy and Skeletal, Atlanta Institute for Advanced Education, 5/12/2017
578. Problem Based Learning Format /Diagnosis Treatment Planning and Regenerative Treatment Protocols for a Patient Desiring Full Arch Implant Supported FPI Prosthesis, Atlanta Institute for Advanced Education, 5/12/2017
579. Live Demonstration and Lecture Format/ A New Technique for Obtaining Upper and Lower Denture Impressions, Atlanta Institute for Advanced Education, 5/12/2017
580. Advanced Functional Occlusion, Atlanta Institute for Advanced Education, 5/13/2017
581. Creating and Branding Excellence, Atlanta Institute for Advanced Education, 8/4/2017
582. Full Mouth Regeneration Involving Horizontal and Vertical Hard and Soft Tissue Regeneration at the Time of Implant Placement Screw Retained Zirconium Protheses Without the Pink Zone, Atlanta Institute for Advanced Education, 8/5/2017
583. Comprehensive Examination and Evaluation of a Patient Involved in an Accident, 12/7/2017

584. Chronic Pain and Neuro Muscular Pathology and Its Impact in Full Mouth Reconstruction, 12/7/2017
585. Advanced Implant Surgical and Prosthetic Protocols, 12/7/2017
586. Surgical and Prosthetic Reconstruction of a Patient with Significantly Atrophied Maxilla and Ailing Implants, 12/8/2017
587. Development of Public Speaking and Face to Face Communication Through Individual Sharing of Effective Organizational and Previously Learned Skill Sets, 03/01/2018
588. Diagnosis and Treatment Planning Complex Restorative Dental Implant Patients-Initial Assessment of the Patient, Review of Systems, Systemic Disease, and Its Effect on Major Restorative Treatment, 3/1/2018
589. Oral Soft Tissue Examination: Review of Functional Dynamics of the Cranio-Mandibular System and Evaluation of the Esthetic Zone, 3/2/2018
590. Synergy Discussion of Problem Based Learning Case: Bio-functional and Physiological Consideration of The Reconstruction of a Failing Restored Clinical Case Involving Natural Teeth and Implants, 3/3/2018
591. Management of Surgical Complications Associated with Head and Neck Infection Leading to Potential Airway Challenges, 5/10/2018
592. Surgical Protocols of Straumann Bone Level Implants in a Patient with Pathologic Occlusion Complicated with Obstructive Sleep Apnea, Dental Compression Syndrome, Dysphagia, and Idiopathic Pain, 5/11/2018
593. Full Mouth Prosthetic Reconstruction of a Patient with Pathologic Occlusion Complicated with Obstructive Sleep Apnea, Dental Compression Syndrome, Dysphagia, and Idiopathic Pain, 5/12/2018
594. Short Term and Long-Term Goal Setting, Talent Development, Stress Management, Performance and Success Optimization of the Human Experience, 12/6/2018
595. Problem Based Learning– Chelsey - Congenitally Missing Laterals, Complex Orthodontics and Spacing Discrepancies. Guided Bone Regeneration and Implant-Based Treatment Protocols, 12/6/2018
596. Treatment Protocol for Reconstruction on a Patient with Congenitally Missing Laterals and Complex Orthodontics. Guided Bone Regeneration and Implant-Based Treatment, 12/6/2018
597. Problem Based Learning Case Group Discussion – Ben – Loss of a Tooth in the Esthetic Zone on a Patient with Imbalances in the Neutral Zone, 12/7/2018

598. Addressing Surgical Restorative and Esthetic Challenges Associated with Loss of an Anterior Tooth with No Facial Bone, 12/8/2018
599. Creating Personal and Clinical Options and Choices, 3/14/2019
600. Creating a Mastery Practice Culture and Brand, 3/14/2019
601. The Comprehensive Diagnostic Exam – Review of Methodologies to Compile Medical and Dental Information to Create a Report-Based Exam and Comprehensive Treatment Plan, 3/14/2019
602. Comprehensive Follow-up Examination for Evaluation of Current and Past Clinical Protocols for Efficacy and Longevity of Treatment Results on a Long-Term Injury Patient, 3/15/2019
603. Comprehensive Examination Protocol on a Patient with Complex Bio-functional Relationships and Loss of Teeth in the Esthetic Zone, 3/15/2019
604. Sterile Surgical Scrub Protocol, Review of Surgical Setups, and Atraumatic Exodontia Techniques, 3/15/2019
605. Review of Concepts of Hard and Soft Tissue Vertical and Horizontal Regeneration, 3/16/2019
606. Full Arch Rejuvenation Strategies, 3/16/2019
607. Etiology of Pathologic Occlusion, 5/9/2019
608. Full Arch Implant Reconstruction with Guided Bone Regeneration Using Bio-activators, 5/9/2019
609. Full Arch Provisionalization and Site Development with Flat One Abutments, 5/10/2019
610. Full arch Implant Supported PMMA and Zirconia Prosthetics, 5/10/2019
611. Pathologic Occlusion Requiring Full Arch Dentate Reconstruction – Diagnosis and Treatment Planning, Orthotics, Preparation and Provisionalization, and Final Restorative Phases, 5/11/2019
- 612.

CONTINUING EDUCATION COURSE PRESENTATIONS

1. Symposium in Oral Implantology, Association Odontological Panama, 1983
2. Introductory Course on Implant Prosthodontics, Piedmont Hospital, 1984
3. Bioceram Seminar Lecture & Surgical Demonstrations, Kyocera, 1985
4. Bioceram Seminar Lecture with Live Surgical Demonstration, Kyocera, 1985
5. Bioceram Seminar Lecture & Surgical Demonstrations, Kyocera, 1986
6. Bioceram Seminar, Kyocera, 1986
7. Bioceram Seminar, Kyocera, 1987
8. Senior Elective Course on Oral Implantology, Emory University, School of Dentistry, 1987
9. Bioceram Seminar, Kyocera, 1988
10. Endosteal Implantology Panel, AAID 40th Annual Meeting, 1991
11. Craniofacial Radiology & MR Imaging, Atlanta Center for Restorative Dentistry, 1993
12. Advanced Program on Dental Implant Reconstruction, Southern District of AAID Meeting, 1995
13. Co-Director of the AAID/MCG 300 Hr. Maxi Course on Dental Implants, 1995-2013

14. Course Director for the Advanced Dental Implant Studies Program, 2008-2013
